

Statement of Understanding

We have met with the pastor of St. Leo's Catholic Church and St. Edmund's Chapel. We have reviewed the marriage preparation policies. We agree to them in full. We further understand in particular that if we do not participate in a marriage preparation program, attend the Natural Family Planning classes, or follow all the policy guidelines that our wedding may be postponed or canceled.

We further understand fully that the St. Benedict room must be left exactly as it was found. It is the wedding party's responsibility to remove all refuse immediately after the wedding. The same is true for any decorations in the church.

We also understand the wedding dress policy and the policy with regard to removing church decorations during the Christmas and Easter seasons.

We understand that the \$100 deposit must be received 30 days before the wedding and will be lost if any of the policies are not followed.
